## KS2 School Clubs for 2009-10

Dear Children,

Below you will find a list of clubs that will be running throughout the year. Clubs run for different periods of time which means that you can do different ones during the whole year.

Our hope is that every one of you is able to take part in something. We have given you a little information about each club along with reply slips. If you want to find out more before signing up then ask the teacher who is running the club. Please sign up!

Apply to join a club by filling in the form on the back of the sheet and handing it to your teacher by **Tuesday 22<sup>nd</sup> September**. Places will be given on a first choice basis. If there are more children than places then the names will be drawn from a hat. Reply slips will be sent out on **Friday 25<sup>th</sup> September**.

If you get a place you will receive a letter with details and a tear off slip for your parents to sign. This last bit is really important. You won't be able to attend if we don't have the permission of your parent/carer.

Clubs for this term will mostly start in the week beginning Monday 28th September but check your slip.
