Dear children and parents/carers,

This year we will be having a KS2 performance based on the theme of 'South America'. The performance will involve all children in Y3-6.

As a starter to the whole event we are running some open sessions that we thought would be good fun and a great way of introducing some of the ideas about the show. These sessions are open to all children in KS2 in the first instance but also any adults who want to take part as well, whether they be parents or school staff.

To do this we have to gauge interest. Based on the numbers we get back we can decide on which sessions you are interested in and when is the best time to run them. Returning the slip now is not an obligation but will help us to set it up properly.

The sessions will run in the second and third week of next term. Please fill in the slip and return it to us by Tuesday the 23rd February to allow us to get information back out to everyone by Thursday 24th February.

We hope that there will be a good response to these initial sessions and look forward to seeing some adults there too.

Many thanks

David Forrester
